

2014 Science Symposium

April 30, 2014
Student Center Ballroom

Science 120 Research Talks at 4 pm

Poster Session at 5:30 pm

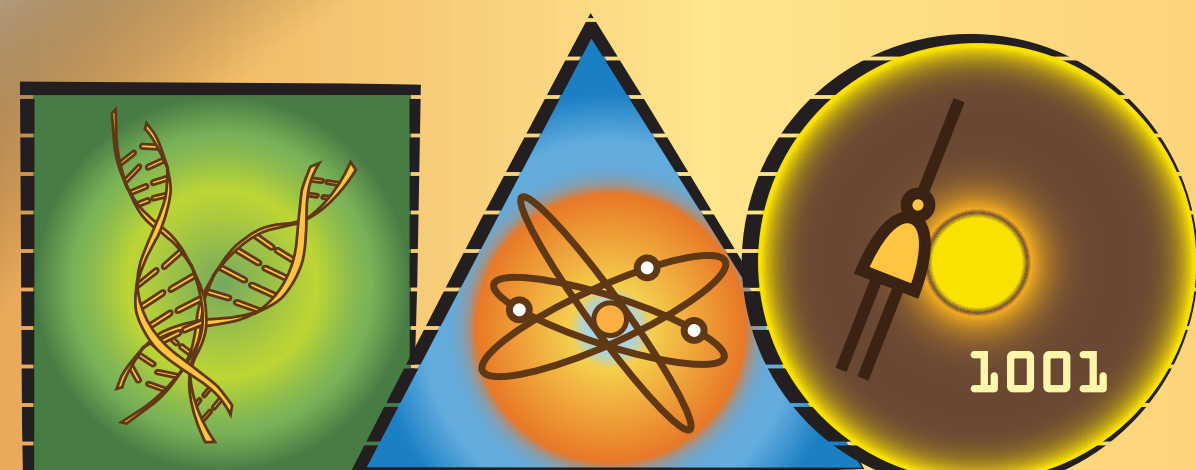

The Symposium is open to ALL SSU students, staff, faculty and members of the public.

- Support your students and friends
- Learn about our amazing student research
- Celebrate science

The symposium features talks by Science 120 students, a poster session showcasing the scholarship and achievements of students in the School of Science and Technology as well as collaborations across disciplines and with community partners as part of the WATERS Collaborative, and reception with hor d'oeuvres and buffet.

Proudly presented by

SCHOOL OF SCIENCE & TECHNOLOGY
& WATERS Collaborative
